## **CONSENT FORM**

For use of the Immediate Post-Concussion Assessment and Cognitive Testing (ImPACT<sup>TM</sup>)

I have read the attached information. I understand its contents. I have been given an opportunity to ask questions and all questions have been answered to my satisfaction. I understand that participation in the ImPACT<sup>TM</sup> concussion baseline testing is highly recommended but not required for athletes in Cherokee County schools.

I also understand that the ImPACT<sup>TM</sup> testing is merely a tool to assist Medical Professionals in the diagnosis and subsequent treatment of potentially serious injuries, the ImPACT<sup>TM</sup> testing IS NOT a substitute for treatment by a medical professional. I acknowledge that if my child is suspected of receiving a concussion causing injury, my child WILL NOT be allowed to participate in athletics until cleared by a medical doctor.
